## Woodland Adventures with Monkey Puzzle

If you go down in the woods today, you're sure of a big surprise, if you go down in the woods today you'd better go in disguise! Take a look at our 7 woodland/garden adventures below- is this something you can do as part of your hours daily exercise?

**1** **Can you spot any nests on your walk?** Download and print this free bird book which you can use in your garden or on your daily walk - <https://buggyandbuddy.com/free-printable-bird-book-for-birding-with-kids/>

**2** **Can you write your name with natures materials such as leaves, flowers and twigs?**

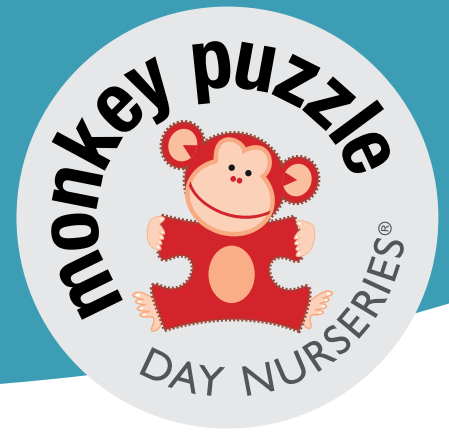

**3** There is nothing like a daisy chain to brighten your day. Look for some daisys with thick, long stems and put a finger nail slit in the middle of the stem. You can then push through the next daisy stem and continue to repeat these steps until you have made a daisy chain.

**Why not try and make a bracelet?**

# Woodland Adventures

4

For babies and younger children, why not create a nature sensory basket full of different textures and smells for them to explore. Examples could be pine cones, leaves, twigs etc.

---

5

## Did you know you can make paint brushes from nature?

Why not see what materials you can find outside to paint some artwork with different textures and shapes.

---

6

## What insects and animals can you find?

Do you know what they are called and what noises they make?

7

With the leaves that you find on your walk or in your garden, put them under a sheet of paper and gently rub a crayon over the area of paper where the leaf is, does this outline the leaf on the paper?
